**Profile:**

Award winning Director of Photography, Audio Technician and Video Editor with more than 12 years experience in video and film production.

**Current Status:**

Working as a freelance videographer/audio technician for broadcast, corporate, and commercial productions.

**Experience:**

Inertia Films, Inc.  
Director of Photography/Editor  
1999 to 2004

Responsible for the execution of visual storytelling through the creative use of camera work, lighting and editing.

High degree of comfort with all types of broadcast cameras and peripherals, and with both linear and non-linear editing equipment.

Ability to build and maintain long-standing relationships with clients, and the confidence to lead a production crew in the field or in the studio.

Inertia Films, Inc.  
Director of Photography  
1996 to 1999

Advanced Inertia Films' reputation for providing world-class production services to corporate and broadcast clients in Cincinnati while Inertia Films was in the process of moving its offices to Atlanta.

WDTN Television  
Creative Department Producer/Director  
1994 to 1996

Shot, produced, directed and edited television commercials for local advertisers. Edited promotional teasers and proofs of performance for the station's nightly newscasts.

Wrote, produced, directed and edited a weekly half-hour television show with a crew of six videographers, a host, and voice-over talent.

WDTN Television  
Part-time Production Technician  
1993 to 1994

Prepared scripts to be read by on-air talent.

Acted as Stage Director and operated robotic cameras and teleprompter for live newscasts and studio productions.

Assisted the Creative Department Producer/Director with production of local advertising.

Operated various video and audio gear on location during live sports events and civic activities.

**Education:**

Ball State University - Muncie, IN  
Bachelor of Science, Video Production, 1992  
Minor: Advertising
